

## **How OrbVest assist South African investors to invest in income producing commercial real estate**

Click the link below to listen to the full interview with Neale Petersen, Founder & CEO of REImag, and Justin Clarke, COO of OrbVest.

Justin shares how OrbVest assist South African investors to invest in income producing commercial real estate from as little as \$5,000. With over \$300 million real estate under management in the USA investors get quarterly dividends of +-8% per annum in US dollars.
